## IN FOCUS: ANDERS HILLBORG

*'The RNCM and the BBC Philharmonic are delighted to welcome the brilliant Swedish composer Anders Hillborg to Manchester. Hillborg miraculously manages to be both a maverick and a pillar of the classical music world. From works which are influenced by his early years as a keyboard player in a pop band, to heavyweight influences from Ligeti and Ferneyhough, Hillborg consistently finds new soundworlds and new structures which breathe life, adventure and sometimes even the absurd into the concert hall.'*
