Choose from our delicious breakfast menu or our grab and go food, including freshly filled baguettes, toasted focaccias, and boxed salads - all lovingly made onsite!

Fancy something sweet? Chef Richard's homemade cakes take some beating, as does our list of scrumptious hot dishes. And our drinks menu is extensive too, offering everything from lattes and hot chocolate to smoothies, frappes and milkshakes made-to-order. We've also got a fantastic bar, providing the perfect place to unwind and catch-up with friends after a music-filled day.

During term time, we'll be open Monday to Friday between 8.30am and 11pm, with hot food served until 7pm. Payment is by card/Apple Pay or via the Yoyo Wallet app, where you can collect points, stamps and vouchers for every single pound you spend with us. Yoyo Wallet also offers you the chance to order via our click and collect service - it's simple to use and we even deliver to the Sir Charles Groves Halls of Residence!
